

SUPPLEMENT
2020

2020 SUPPLEMENT

This catalogue is a combination of the Elstead Collection products that were launched last year in the Spring 2019 supplement, plus many new additions for 2020. All 2019 products are in stock and the new 2020 models will be identified with “New for 2020” symbol and are scheduled to be in stock by this summer.

Highlights include many stylish new families, more options of wall lights, flush and semi-flush ceiling mounts. There are many more beautiful table lamps including several with dual-lit switches and several new outdoor models in the Coastal Collection.

For 50 years now, manufacturing and design has been the passion that has inspired us all at Elstead Lighting. The business origins may date back to 1686, but our vision is 21st century.

EXTERIOR COLLECTION
2019

The Elstead Exterior Collection 2019 offers over 500 fittings that are suitable for the great outdoors.

From traditional black English lanterns to more elaborate USA style designs and modern LED lights, we hope that you find a suitable IP rated wall or chain lantern, pedestal or lamp post that will suit your home or business setting.

See our popular Coastal Collection for options of lanterns made from solid brass, UV stable polycarbonate and a new composite material that is guaranteed for 5 years with no coastal exclusion zone that can withstand extreme heat and saline conditions.

The Elstead Interior Collection 2019 offers over 1800 fittings that will bring your home or hospitality setting alive.

There are many traditional, transitional and modern ranges to choose from which can be previewed in our visual index. The collection consists of ceiling and wall fixtures of all shapes, sizes and colours as well as an extensive range of portable table and floor lamps.

Don't forget we have more than 200 bathroom ceiling and wall lights that are at least IP44 rated to provide beautiful decorative task/ambient light in your bathroom.

ZUMA

Sculptural and exotic, Zuma tantalises with a purely contemporary form. The over-scaled geometric pendant and linear chandelier silhouettes are softened with layers of fine jeweller's chain flowing from the epicentre.

LACEY

The Lacey collection offers a beautiful contrast, melding the charm of Olde World style with clean modern-day materials originally available in Old Bronze. We have now added an Antique Pewter Finish to enhance the bold, unadorned rounded-arm styling. They feature avant-garde double shades made of organza fabric with Opal inner glass.

LENA

SMALL

The elegant flowing twist of Lena's mouth blown glass creates a striking visual with the Polished Nickel metalwork. It is combined with Elstead's "Dual-Lit" system, a 4-way switch to light both the shade and the base (GU10 supplied in the base). The shades are made in the UK with satin smooth fabric and matt silver laminate lining.

LENA-TL-S-SMOKE

Each coloured glass base has an alternative Off White Smooth Satin shade (OWSS) available.

To order use these codes:

ADMIRALS COVE

Inspired by classic Tudor style, the Admirals Cove outdoor collection blends tailored details with modern-day performance. Crafted from a composite material, it is designed to withstand harsh outdoor elements, like saltwater spray and UV rays, for a beautiful and long-lasting Textured Black finish. The clear seeded glass enhances the vintage style while letting the light shine through.

Randhurst outdoor fixtures are a modern interpretation of an antique gas lantern, made of a composite material that can withstand the harshest outdoor elements and finished off with a new rough-hewn, Copper Oxide finish. Handcrafted stepped details, grommets and open vents on the crown add charm to this period-inspired collection.

BEACON SQUARE

OLDE BRONZE

Inspired by classic craftsman architecture, the Beacon Square outdoor collection features clean lines, creating a transitional and versatile style. Crafted from a composite material, each fixture is designed to withstand harsh outdoor elements, like saltwater spray and UV rays, with a beautiful and long-lasting Olde Bronze or White finish. The clear, hammered glass simulates the look of water, enhancing the overall style, while still letting the light shine through.

GUARANTEE INFORMATION

GENERAL 2 YEAR GUARANTEE – All fittings supplied from this catalogue, both interior and exterior, have a manufacturer's minimum guarantee of 2 years. This means that in normal and fair service, (and without incorrect or inappropriate installation or location), any product sold by Elstead Lighting or its partners should have no fault develop within a minimum of 2 years from purchase. Any fault that is found is covered by guarantee to be repaired or replaced at the suppliers cost, within this period.

OUTDOOR LIGHTING GUARANTEES

2 AND 3 YEAR ANTI-CORROSION GUARANTEES – Many outdoor fittings have anti-corrosion guarantees stated on each relevant page. This guarantee relates to the corrosion of paintwork on cast aluminium or steel fittings, and excludes locations within 5 miles of the coastline. Fittings that have been damaged, repainted or cleaned with an aggressive cleaner may be excluded.

COASTAL COLLECTION 5 YEAR GUARANTEE – These fittings are designed to be placed in the toughest of conditions including right by the coastline without exclusion. This guarantee covers protection of the finish against corrosion or UV degradation.

PLEASE NOTE: Prior to agreeing to replace any fittings, the company reserves the right for the original seller or a representative of the company to inspect the damaged parts and for photographic evidence to be supplied.
